

Welcome to PIL Group

Welcome to Peacock International Logistics. We are a licensed NVOCC International freight forwarder and we offer around the world operations. Our major areas of operation are the all over South India Ports. Our Service includes Import and Export shipment of full containers, LCL, air cargo, and ground transportation . We have fast and reliable network of shipping companies in the world that can deliver to any destination at any given time.

With 8 years of collective experience in the industry, we are capable of shipping freight from any domestic to international destinations including door-to-door service.

Our logistics expertise is a balanced cross-discipline of domestic, international and warehouse/distribution services, making PIL Group a true single-source transportation and logistics provider. Our "Customer Centric" approach to global reach.

We partner with our clients to tailor and integrate logistics systems and solutions that deliver value across their entire enterprise.

MISSION•

Offer the best logistical services within our industry.

- Understand our customers needs and offer them tailor-made logistical solutions.
- Maintain our company at the forefront of information technology within the transport and logistics industry.
- Generate profit to strengthen our company so that we may grow in a sustainable way.
- Look for the well being of our employees, offering them a company with which they may grow with.
- Be honest in our activities.

VISION

- Become one of the most innovative companies in our field with professional personnel offering services that are profitable for our customers and our company.

PIL Group Supply Chain Solutions offers a complete array of Freight Forwarding and Global Transportation Services. We provide a single, streamlined source to book cargo, arrange collection and manage the shipping documentation.

As one of the world's leading Non-Vessel Operating Common Carriers (NVOCC), we can maximise your routing and transit time options by managing your ocean shipments door-to-door with ease, visibility, and global reach. Choose from our flexible ocean freight services based on your timing, cargo size and equipment needs.
